Day 2

Read James 1:5

Week 1 01

We know that God wants us to have wisdom, but have you ever wondered how we get it? Besides learning from wise people, we can ask God for wisdom. It doesn't matter when we ask; we can ask Him before we need it and when we need it, and He'll give it to us because He wants us to be wise.

Write a prayer letter to God asking for wisdom where you need it most. Like, obeying your parents, doing your best at school, in your relationships, etc.

Day 3

Read Psalm 119:18

Week 1 01

It's easy to get advice from TV, magazines, and your friends. But it's important to look to God for WISE advice instead. Not only does God want us to have wisdom, He is the most qualified to give it. When you need to know what you should do, ask God because He'll always know the answer, every time.

Make a pair of glasses out of construction paper. Around the rims write one-word phrases about what it means to be wise like God. (Some examples: right, humble, honest, truthful.)
